## (30 min) Presidium

### **Next Meeting:**

- We should do one before the summer holidays
- Preferred on Monday, 4th of June

### **MR Update:**

- Budget, we show the bill to them
- We should have less money and thus give the mo3ney to the students
- We should make more events, but not make the courses cheaper (We can see in the protocol, what is important when we have it)

## **Team Event**

**03.06.18 → Limmatböölle, and when there is bad weather, then on the 10.06.18**

## (20 min) Dance Admin

### Summer Workshop:

- Many Workshops
- Dance Evening

### Training time during Noon:

- We want to it, but not on friday noon, also not on mondays, we have to find a room for it, and a teacher who can give advice

### Refund SaCu case:

- Pretty much trouble...
- We just leave it as it is and leave it with the voucher.

## (0 min) Communication

## (20 min) Events

### Silbando Request:

- Hannes is the owner of Silbando, he was really overwhelmed, we should do it more often, but he wants to charge for it, we should talk about it with him, but he wants to gain money with our people → Inviting him would be good to discuss the issues, ask with for a meeting, ask him for a presentation, Lisa does the talking

### Summerbar:

- There will be helpers in need

### UZH Mitarbeitendenfest - VAUZ:

- They want a dance show → If someone has to it, then they will have the responsibility for it, so Melissa will forward a mail for the teachers, and if no one is interested, then we will not do it and Melissa will say that

### Spring Ball - 10th Anniversary

- There is need for helpers
- Werbebanner and more advertising

### Cubaliente:

- About 10 people were there from TQ, and it was cool, we want to do it again, but it has to be better organized

### Social Dance Evening

- They do it every year, but there is not communicated, they have Raum der Stille usually, this was reserved, but we will maybe not put it on the website due to space

(10 min) IT

## (20 min) Internal Affairs

### TQ-Giveaway

- Chewing gum : “Beim Tanzen kommt man sich näher als man denkt”
- Turnbeutel in red with the TQ Logo, 30x40
- Special giveaway

### Evaluation from late 2016 (!):

- **Helpers:**
  - No time for helping or did not know one could help
  - Training-Event/-Workshops for the helpers would be welcome -> Training-Event for TQ-Members who then can teach them or large Helper-Workshop
  - Decide next time
- **Events:**
  - Mostly fine
  - Cuban Night/Salsa Events -> We need more people to do that!
  - More “Freies Tanzen” (Maybe separate Salsa/Social, since there are complains about too much/too less Salsa or the Salsa music played) since not all can come on Monday
  - More Crash-Courses
  - Specific Social-Courses (like SaCu, SaPu and Bachata)
  - More dance Styles
  - Repetition Courses -> Standardisation of Social Courses needed
  - Mix up Salsa/Bachata/Kizomba to Latin Course up
  - Lift and Tricks which is now done
  - Most other stuff is fixed
- **Courses:**
  - Say when the Courses are up before they go up -> Same chance for all
  - Guest in another Course as a replacement for one missed Course -> They are cheap and what is with only one course per periode -> No
- **Advertisement:**
  - 30 % heard from TQ from a friend -> Bounty?
- **Why us?**

- Lots of good stuff -> Noise!
- Comments
  - See Lisa

**Lisa leaves in December → successor searching for board member**

Replacement needed, but not as urgent -> Don't Forget

### **SUISA:**

We have a contract, but we have to talk about it with the VSETH  
Aninna will look with VSETH -> To expensive  
Don't miss the payment since it is very expensive

### **(0 min) Varia**

Events should not be called party at ETH since parties are not allowed at some places -> Party-Story in the GEP
