Internal communication in TQ:

How to improve information on how the rest of the board can help if necessary

Do meetings for the resorts!

Invite Andreas

Restrukturierung vom TQ: Externe Affären als neuer Posten (zusammen mit Kontakt)

Melis might want to do it, or knows somebody

Not too much work

VSETH Mailmigration; Probleme mit Zugriff auf mailaccounts

(praesident@tq.vseth.ch, noch nicht umgezogen, ich habe Zugriff auf events@tq.vseth.ch) → Kontakt mit VSETH, ob ich Zugriff auf alle

Adressen erhalten kann, Tool für alles funktioniert im Zuge der Migration irgendwie nicht

Stand Werbegeschenke

Werbemittel24.com has nice presents

Order short before semester start

“Beim Tanzen kommt man sich näher als gedacht! Aber bitte ohne Kaugummi.”

Vorschlag Stefan (Statuten überprüfen)

Andreas will take a look at them, clarify, improve, make up-to-date

Teacher training courses in Summer

Help teachers get to know each other

Increase quality of our courses

Especially Social & Salsa

Probably in June (2 evenings, full day, ...?)

Separate meeting to define goals, requirements, needed resources, exact time

→ Axel & Stefan

How to handle priority of Student from the previous course? At the moment Tatjana considers it if they tell her but that does not work...

Information is already available, perhaps needs to be placed in more prominent way

→ Teachers need to know where the students come from

→ Let participants of earlier course enrol a day earlier?

Problem: Much more difficult to get into a course after a period without participating

→ Do another meeting to discuss a new policy: Andreas + Mélissa responsible

→ Consensus: Participants of predecessor course should be prioritised

Wer kümmert sich um die Umfrage?

Daniel macht Plots

Restrukturierung der Lehrer Korrespondenz. Zu viele Lehrer für 1 zu 1 Kommunikation das derzeitige System ist unzureichend. Gruppierung so weit wie möglich mit einer Ansprechperson?

Current state: 50 teachers

Communication: high courses, when, absences, ...

→ One of the teachers should be responsible to broadcast messages, organise meetings.

Receives a bonus of some kind

→ Need to define duties and responsibilities

→ Communication groups: Social, Salsa, Tango, others

→ Louisa steps in for "others"

Räume mieten bei anderen Tanzschulen? Zb. bei Ballettschulen oder sonst irgendwas, wo wir nicht als Konkurrenz aufgefasst werden

Unter "Bewegungsraum" findet man etwas mehr zb. :

<https://www.raumsuche.ch/partyraum/zuerich/bewegungsraum-im-niederdorf-zur-untermiete>

<https://www.raumsuche.ch/partyraum/zuerich/gymnastikraum-bewegungsraum-turnhalle>

Reason: Room scarcity not getting better (especially the quality of the rooms)

Problem exists already for Social 2

→ Search for nice opportunities (but not too intensively)

(5 min) Communication

Consistency of Info across Channels & Timing of posts

No premature communication!

Do not forget channels!

Website, Facebook, Newsletter are to be synchronised!

Keep website news up to date

Post regularly

(20 min) Events

Melis leaving Events

Melis wants to work a bit less

Either change to Print (if Robin doesn't want to continue), else team?

→ Need several new people for next semester/year

Freies Tanzen before semester starts: GEP is typically not free, so we could go to Kirche Unterstrass. In combination we can think of shows - from our dance teachers or from our collaborators (which are almost all also our teachers)

Do the first official Freies Tanzen only in the second week/end of the first week

→ Do kind of a weekly video of more "exotic" dance styles

→ Annina takes lead of Freies Tanzen, Tobias would like to participate in video-related activity

Decide later whether to go to the church (Annina)

Feedback Springball and PBTQ 2019. Plan now Springball and PBTQ for 2020!!!

Successful events; details follow later; add more temporal separation between the events

Nice helpers at PBTQ

VSETH Summerbar: Who takes the lead?

Last year was not optimal; board members must be present

Proposal: TQ organises music, do a Rueda (Caro), Melis tries to organise helper shifts

(10 min) IT

VSETH IT “User Board”

Improve communication of needs/availability of services between VSETH and commissions

Website entwicklung outsourcen?

Nö → mehr leute suchen

Successor: Daniel! :) → Einstimmig → Renato raus

(5 min) Internal Affairs

Büro/Keller aufräumen

Daniel, Tobias need keys (ask Jan)

(- min) OP Media

-

(3 min) Treasury

Procedure cash: two weeks in advance

VSETH needs 1 week

Voting out Daria

done

(15 min) Varia

Axel presents his idea for a higher level dance courses project, which suits as connecting solution to TQ courses and might offer mutual benefits from collaboration

Vertiefungskurs & Social 4 stay maximum

There is interest.

Axel & Andreas meeting.

Mehr Kurse im Stil der Vertiefungskurse? Die Nachfrage scheint da zu sein. Alex will die Latin show group wieder aufleben lassen → hab ihm das freie HXE am Montag angeboten

Vertiefungskurse are full

Realise it as a collaboration

→ Further info needed

Markus presents his idea of changing the sign-up from man/woman to lead/follow

Equality of genders

Thinking in roles instead of genders makes sense for e. g. Lindy Hop

Agreement to the idea, but need IT needs to add the option to state the gender a participant wants to dance with

For Lindy, no strict matching is needed

→ meeting with Tatjana, Andrea, Daniel, rest of IT
